Coming Back

We have just held our first in-person worship service since last October! It was a delight to see church members in the pews amid the bright decorations for Pentecost, and listen to Gary Snowbeck play the organ! I feel great joy and deep gratitude to God that our community has reached a low level of COVID cases and a high level of vaccination that allow us to gather together inside safely. We will continue to schedule in-person worship services as we gradually resume indoor activities and programs at church. We will also continue to livestream our worship service online. The pandemic shutdown with precautions and restrictions has been strenuous for almost everyone. Differences of opinion, conflicting advice, and political maneuvering have caused confusion and stress.

The ReOpening Team and the Ministry Leadership Board and I are committed to resuming in-person worship and activities in a way that will be safe for the most vulnerable members of our congregation, comfortable for the broadest range of members and friends, and welcoming to all.

Coming back from the suspension of in-person worship and programming in the church will be complicated and, at times, frustrating – just as closing down was.

I encourage all of us to be sensitive and considerate of the range of feelings and concerns among the congregation as we come back and gather together. I hope we can be patient with the gradual process of coming back, as well as the precautions that will stay in place for now.

Coming back will be an exciting and gratifying process!

Scott Morrow

Are you ready for another “new” normal?

The last 14 months have overused the term and now with Connecticut leading the way in vaccinations, we are about to embark on some “new normals.” Our family finally had a chance to have four generations together on Mother’s Day. While it was not the entire family, it was a long-awaited chance for 92-year old “G.G.” (Great grandma) to hug a few of her children, grandkids and great grandchildren. The vaccinations have made this possible with a reasonable sense of security. The future is looking brighter with news that we should be resuming in-church worship services very soon (possibly while you are reading this).

Having regular get-togethers with family and friends, picnics, fairs and church service feel possible. A night out with your favorite person is so long overdue. We are a resilient people, but this is something we have never endured before and pray that we will not have to ever endure again.

We are starting to be comfortable getting together with family and friends that we know have the same safety values that helped us survive this pandemic and we encourage everyone to do the same. Be diligent. We still need to be cautious. Remember that everyone is entitled to their own beliefs, even though they may not be the same as our own, you need to feel comfortable with the people around you.

Stay safe and let's all look forward to a great summer filled with family and friends.

Church School - Late Spring 2021

Although NHCC has resumed In-Person worship on specific Sundays, the Church school will continue with Zoom Church School on the second and fourth Sundays of the month. We continue using the WHIRL lectionary curriculum through June 27; which is modified for use for digital learning. As for Summer Church School, that will be determined and families will be notified if and when there is Summer Church School.

The dates for Church School Zoom meetings are June 6 and 13. Zoom gatherings for the younger (PreK to Grade 2) will occur at 11:00-11:30 am. The older children (Grade 3-7) are scheduled for 12:00-12:30 pm. During our 30-40 minutes together, we catch up with one another, recall the day's scripture read during worship, recall what church season we're celebrating, and then participate in a re-reading of the selected scripture. I also share an age-appropriate video based upon the day's biblical scripture and theme. The video provides a connection of the biblical scripture to daily life. Nearly every Zoom Sunday, I have had the usual attendance we expect with In-person worship and church school.

Potential Plans for Fall 2021

As of May 19, I anticipate and look forward to resuming In-person Church School in the Fall,

assuming we continue with in-Person worship at that point. If we continue with In-Person worship, Rally Day will be September 12. On that day, we will have a special event after church (TBD). Additionally, the Church School rooms will be modified to maintain Social Distancing for the children during church school. Likewise, each child will have his or her box of pencils, crayons, scissors, etc. If you have any concerns or questions, please send me an email and I will do my best to answer your question(s) and address your concerns.

Blessings,

Karlee Etter, Ministry Coordinator for Children

Message from the Music Director

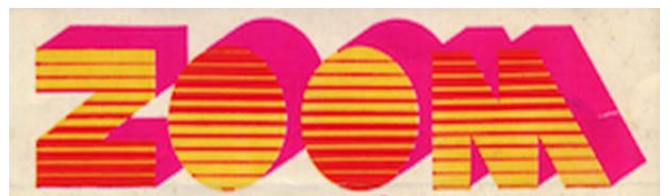

Gratitude for Zoom

As tired as we can get from sitting in front of our computers for meetings all week long, I was thinking recently of my gratitude for the video conferencing software, Zoom.

While I am grateful for Zoom, let's be honest... It is true that Music itself does not really work well on zoom. The best use of music on Zoom I have found involves muting everyone(!) and sharing my computer sound so that all can listen to songs and hymns together. This has been helpful with chancel choir meetings and more recently - to my delight - with members of the church school.

I am grateful to Karlee Etter for helping me organize music sessions with the kids on Zoom for the last few months after church. Her zoom bible lessons have been wonderful to witness! We are now meeting fairly regularly for music, too, and we listen to music together and sing along.

Some of the songs we have enjoyed are, "Lord of the Dance", "Love Love Love (Round)", "Alleluia, Give Thanks", and "Spirit of Gentleness".

We are currently working on a virtual presentation of “Spirit of Gentleness” for the near future. The melody of the refrain is very beautiful and the kids sing so well!

Stay tuned! The future looks bright for North Haven Congregational Church.

Results of the Second Return to In-Person Worship Survey

The ReOpening Team would like to thank everyone who participated through the second online Return to In-Person Worship Survey in April, and share some of the results. The survey was completed in April of this year. There were 77 responses representing 142 individuals across households. Among the responses 63% said they attend always or almost always, and 25% reported they attend often. Perhaps most striking is that **91% of respondents reported being fully vaccinated.**

The online livestream worship service received a similarly high rate of satisfaction as in the previous survey. The level of interest in attending in-person worship with the same precautions used last year is moderate to low: 19% indicated their interest was a 1 out of 10; 16% indicated a level of interest as 10 out of 10. About 1/3 of respondents expressed interest in

outdoor worship services (outside of Sunday morning) and other outdoor social activities, and just under half were interested in socially distanced picnics or gatherings.

Comparison of first and second survey results:

There was slightly less representation from households with children in the second survey. There was slightly less satisfaction with the online streaming service, and slightly increased interest in attending in-person worship.

Comments: The comments included appreciation for the recording of the online service. There were similar desire to return and frustration with being online from some. There were increased observations of service not starting on time, and increase emphasis on music. The comments reflect a push and pull between a readiness to come back, concern for safety, and ambivalence about necessary safety precautions (understand why precautions are there but not wanting to return until precautions are lifted and things are as they were). Music and singing are central to many person's responses. Compared with the previous survey, there are similar rates of people not wanting to be told what to do.

The complete survey results will be posted in the church and made available for members to read in full. The ReOpening Team and the Ministry Leadership Board approved a prompt return to in-person worship in response to the strong interest indicated in the survey. The ReOpening Team will continue to respond to survey in planning for increased in-person worship and programming in accordance with evidence-based guidelines from the CDC, the State of CT, and the Quinnipiack Valley Health District.

2nd Annual Meeting of The Southern New England Conference held virtually

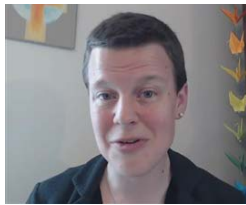

The Second Annual Meeting of the Southern New England Conference of the United Church of Christ was held Saturday, May 8. Delegates, Conference staff, volunteers and visitors joined the meeting through the online platform Whova. The theme for the meeting was based on Luke 2:15, "And it Came to Pass ..." – Living into the Fulfillment of God's Promises."

The meeting began and ended with worship, and there were worship components to each part of the meeting. A special Annual Meeting anthem, “Stir My Soul”, was composed by Thomas Cuffari for the meeting and offered a refrain through the sessions.

A highlight of the meeting was the address by Executive Conference Minister, the Rev. Darrell Goodwin.

The Meeting also heard from Chair of the Board of Directors, the Rev. Jocelyn Gardner Spencer, and Conference Treasurer Calvin Price. Delegates participated in discussions to help set priorities for the justice work of the conference, and the Rev. James D. Ross II was introduced as the newly called Minister for Diversity,

Equity, and Inclusion. Reports were given in video format. More information about the meeting can be found at the Conference website – www.sneucc.org

Building and Grounds Monthly Update

This past month Building and Grounds has worked on the following projects:

- 1) Annual Fire Inspection completed with North Haven Fire Department. Mark Bessette worked with the NHFD to ensure our building is in compliance with all safety measures. Mark will be

following up by testing all emergency lighting and exit signs to ensure all batteries are ready for an emergency.

- 2) Cut and removed tree from church lawn. Mark Bessette and Paul Powers took care of the Dogwood tree that came down in a recent storm. They cut it up into manageable pieces and hauled it away.
- 3) Re-modeled “Room 5” is now the Food Pantry Annex. The Annex is used to store over-flow food for the Food Pantry. As new food comes in to the church it is sorted by use by/expiration date. The food with the dates furthest out will be stored in the Annex and used to restock the Food Pantry as needed.

On-Line Fundraising Auction

Our second on-line auction was held during May as a fundraiser for our church. The first on-line auction was held last July. Feedback we received last year encouraged us to coordinate another on-line fundraising auction this year.

The goal was to raise funds for the church that otherwise would have been raised via in-person events such as concerts, dinners and other events that have not been possible over the last 14 months due to the pandemic. This solution brought in income for this line item in our church budget.

We look forward to returning to in-person fundraising events that also provide fellowship opportunities with church volunteers working together in person.

The success of the on-line auction would not have been possible without all the donations of a great variety of items that were auctioned. Thank you very much for your donations to the on-line fundraising auction.

We received a great variety of items including antiques, Lenox china, paintings, a piano, barely used Kirby vacuum, Waterford crystal vases and candle holders, a pool float, jewelry, new unused items NIB, a lift chair, Karastan rugs, and so much more. Many of these items were lovingly cared for through generations including an antique chair with decorations hand-painted by a long-time church member's parent/grandparent. There is a story behind all the items donated!

Thank you to the many donors: Betsey Reid, Dot Pierce, Florence Coulston, Joan Bennett, Martha & Mark Butterworth, Sara & Bryant Munson, SueBeth & Robert Higgins, Scott Morrow, Carol Amico, Womens Fellowship, Joyce & Ted Manzo, Barbara Massey, Sally Pallatto, Susan Guckert, Doris Ferner, Cathy Welch, Patience & Martin Benassi, Lynn Reardon, Jeanne Reardon, Melissa & Carmen Deluca, Paul Powers, Nancy Mahoney, and Lisa Heyl. Thank you again for your generosity to our church.

Women's Fellowship

Hooray! Reopening has begun! It has been a long shutdown, and as the country and our state, towns, and church slowly and cautiously begin to reopen, there are still many concerns and uncertainties. However, Women's Fellowship is being optimistic and is asking you to SAVE THE DATE:

Friday, October 15, 2021

Time: 6:00 p.m.

Military Whist Party

For those who have attended in the past, you know how much fun the night is! For those who have not attended, you might want to try it out. We will post more information once we know what the guidelines will be. I encourage you to write this date on your calendar soon so you won't forget to buy your tickets!

Looking forward to seeing you in-person in church soon!

Until then, God bless and enjoy this beautiful weather.

Men's Fellowship

The men's group held two Zoom Meetings since the last Window deadline. The first one, on May 1st, had five men participating, while our May 15th virtual gathering attracted six. Participating in one or both get-togethers were Jim Bennett, Gary Czajkowski, Joe DeLuca, Rev. Scott Morrow, Bryant Munson, Tim Peiffer, Stephen Simonson, and John Tibor.

Pandemic-related news was again a primary focus of our discussions but in a much more positive way, as we learned that North Haven was recently removed from Red status, as the number of cases dropped to just 10.6/100,000 in the most recent two-week reporting period, well below the less than 15/100,000 threshold. Consequently, the church will cautiously return to in-person worship, with precautions, beginning May 23rd, on a twice-a-month basis. (I'm sure everyone can find additional information on the in-person worship guidelines elsewhere in this newsletter.)

Interestingly, Scott informed us that of the seventy-seven people (representing 146 congregants) who responded to the most recent Church Re-opening Survey, 91% reported that they were fully vaccinated.

We also learned that there has been very little sentiment expressed in favor of participating in this year's Memorial Day Parade.

We held a brief dialogue regarding conducting a possible men's-sponsored social/fundraiser this coming summer, so please stay tuned as further details of it are revealed in the coming months.

Other news passed along: Scott noted that he will be performing his first baptism in more than fourteen months on May 23rd; John T. mentioned that granddaughter Viviana will be participating in a multi-generational play being presented at the North Haven Fairgrounds on July 9th-11th; Tim P. announced that Joshua will be matriculating at the Cleveland Institute of Music starting August 15th.

The men will next gather online at 8:00 a.m. on Saturday, June 5th.

PRAYER REQUESTS

In this month's *Window* we continue to list the names of persons for whom we pray in our worship each Sunday. Please add these special people to your prayers at home.

In Our Prayers This Month are: Heather Rowe-Purcell, Onna & Sam Gott, Ben & Cole Purcell, Heidi Welch, Mary Cestaro, Tim Peiffer, David Bellonio, Marlene Bellonio, Stefan McKosky, Linda Shannon, Joyce Bellonio, Betsy Gumbart, Shirley Ryan and all the family.

PASTORAL VISITS IN HOSPITAL

Pastoral visits in the hospital are becoming possible slowly and gradually, with particular guidelines that are changing to reflect the particular hospital's guidelines. If an in-person visit is not possible, telephone visits for prayer and comfort are an alternative, although certainly less than ideal.. Please contact Julie or Scott if you anticipate a trip to the hospital or unexpectedly find yourself hospitalized, so that Scott can respond.

HOMEBOUND MEMBERS

We have resumed in-person worship, currently on two Sundays per month. We continue to livestream the worship service as well.

We continue to celebrate Communion on the first Sunday of the month, and encourage members to participate from home with their own bread and juice, or substitutes.

We anticipate resuming the celebration of Communion in church and we are working on a plan.

If you are not able to watch the Church service online, we will be happy to celebrate Communion with you over the telephone. Please call the church office at 203-239-5691 to make an appointment that would be convenient for you.

CARDS & LETTERS

Below are some of our church members who are not always able to be present for worship on Sunday mornings. We keep in touch with them through visitation such as home Communion and gifts of holiday flowers. We invite you to send them a card and include them in your prayers.
