June 2022

**THANK YOU!**

In the weeks since Easter our scripture lessons in worship have focused on Jesus gentle and empowering appearances to the disciples, and on the early gathering of the followers of Jesus into a community, into a church. The descriptions of encounters with the risen Jesus and stirring gatherings with new followers were filled with great thanksgiving to God. The comforting and guiding power of the Holy Spirit was the gift Jesus promised to the disciples. The Spirit's presence and power transformed the disciples, giving them strength and courage and renewed faith.

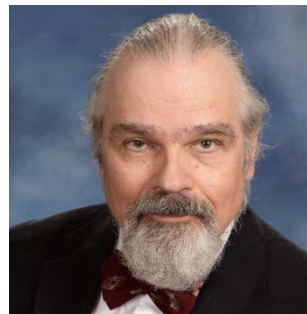

The apostles were very grateful for the Holy Spirit's power and the joy and wonder and hope with which it was felt by newcomers to Jesus' Way. They were also deeply grateful for their community – all of those who worked together in the mission Jesus had given – to offer hospitality and invitation and welcome to all. We recently thanked Sue Baldino and Steve Simonson for their work as Church School teachers this year, and for their service with the Faith Formation Mission Team along with Lori Murphy and Barbara Massey and Kerry Stewart. The youth, sharing impressions and experiences of the Lord's Prayer, showed us the power that comes when dedicated teaching meets with eager and creative learning.

In June we will thank the Chancel Choir and Gary Snowbeck and Jeff Hutchins for their wonderful dedication to singing together and providing music for our worship services. This is another area of our church life where passion and creativity and joy have blossomed into stirring moments of grateful prayer and worship.

We will also celebrate with Heritage Members- those who have been members of NHCC for fifty years or more. We will offer congratulations and admiration for their long service in and through the Church, and

we will offer thanks for the faithful community they have helped to build.

June will also bring the occasion to celebrate with Gary Snowbeck, recognizing his great contribution to our worship and to our church life, and wishing him well in his retirement as Organist and the new journeys that await him. I feel tremendous gratitude for Gary's remarkable talent, dependable accompaniment, and deep faith. Gary adds

SO MUCH to our worship in such a quiet and unassuming way.

Let us give thanks for all these people and their gifts, and for the faithful mission and ministry they empower!

Peace to you, Scott Morrow

## Springtime Changes

As I sit on my sunporch listening to the birds singing, looking at the plants pushing up through the ground and the trees beginning to leaf out, I think about our church community. For over two years, there have been limited activities within the church and our community has been relatively dormant. As a church community, we are experiencing our own version of spring. Like the birds, the choir is sing during services and practicing in person and. Like the plants, we are beginning to venture out of our homes to explore the new version of our world. Like the trees, we are reaching out and reconnecting with those around us to soak up the energy in-person activities provide. As we adapt to a new version of the world where many people are working from home and many interactions are still technology driven, it is important that we as a church reach out to those who desire more direct human interactions. Invite a friend to come to church with you or to attend a church sponsored activity. If you have not attended an in-person worship service recently, I urge you to come back and reconnect with your fellow church members. As a church, we need to adapt and re-energize. Think about what you can offer to the NHCC community and the larger North Haven community. There are many opportunities to serve on mission teams, to work in the food pantry or to help the Women's or Men's Fellowship with their projects. The Mission Leadership Board welcomes your ideas for new fellowship or outreach activities. We are at a time in the life of the church where we can decide which honored traditions we want to keep and which new traditions we want to make.

## Ministry Coordinator for Children

### Youth Sunday, May 22.

May 22, Youth Sunday, marked the end of our current school year with a celebratory worship. The children of our Church School led the congregation, with adult helpers, through a celebratory worship service about the Lord's Prayer. Our children actively participated as Greeters, sang in the Children's Choir, led the congregation through the call to worship, signed the Lord's Prayer, and read scripture. During worship we recognized and thanked our dedicated teachers, past and present. We also thanked many other volunteers including the Faith Formation Team.

SUMMER Church School begins June 5.

This summer, Steve Simonson will be teaching Church school for ten Sundays (see dates below) between June-August. All the children, of both age groups will gather in the Rainbow Room (the usual church school classroom for Grades 3-5) during Sunday worship. Each Sunday will focus on a different Bible story and theme such as The Good Samaritan, Gifts of Wisdom, Martha and Mary, Meaning of Faith, and Humility and Hospitality, etc. Each Sunday, the children will enjoy a bible story and enjoy a craft, activity or games outside, weather permitting.

## **NHCC continues to be in-person and mask-optional.**

Our worship services are in-person every week, and wearing a mask is optional. Online worship continues each Sunday as well. We ask everyone attending worship in-person to please wear a nametag. The nametags will help us exchange personal greeting and engage in conversation. Anyone desiring safely-distanced seating in worship should speak with the Greeters.

The mask-optional policy opens the possibility of eating and drinking in the church building. Coffee Hours will resume and we encourage you to volunteer to host a Coffee Hour. Sign up on the Church website or call the Church Office with questions.

Anyone with a recent COVID diagnosis or who is not feeling well should not come into the building.

The ReOpening Team continues to follow the COVID case levels in our community. Case levels are up in North Haven and surrounding towns; the average as of 4/21 is 29.3 cases\ per 100,000. For up-to-date information on COVID levels in our state you can view: (<https://portal.ct.gov/Coronavirus/COVID-19-Data-Tracker> )

Anyone with a recent COVID diagnosis or who is not feeling well should not come into the building.

## Mission Team News

### **Music Mission Team:**

We had a delightful Sunday on May 22 when we were treated to some amazing music! Our prelude was

offered by Joshua Peiffer, who is now a highly accomplished musician and man with many talents. On the flute, he played the stunning Allemande movement from Partita in A Minor by Johann Sebastian Bach.

After singing the opening hymn, we offered a choral introit found in the Presbyterian hymnals and

the Methodist Hymnal, but not Voices United or New Century. It is a West Indian melody arranged to fit the Lord's Prayer, with a lively call and response feel. Joshua used his well-developed and strong baritone voice to deliver to the opening lines, "Our Father, Which Art In Heaven" (The KJV words to the prayer).

Members of the children's choir joined members of the chancel choir to provide the meditative and repetitive reminder, "hallowed be Thy name" in this fast moving and free-rhythm chant.

Due to the rather extreme heat and humidity of the day, the adult choir chose to stay out of choir robes, but it was still wonderful to see the small but mighty group back in the chancel, along with the very musical children's choir!

The Chancel Choir would then lead us in yet another rendition of the Lord's Prayer, this one a four part setting with very luscious harmonies. Such an important text stands alone as an anthem and the adults did a fabulous job making music with it.

After singing the closing hymn, "All Things Bright and Beautiful", masterly accompanied by Gary Snowbeck, we were treated to a curiously titled postlude "You Shall Go Out With Joy!" by Douglas Wagner, which did not disappoint! It brought much joy! Gary's astute musical sensitivity and consummate church-music professionalism will be GREATLY missed upon his retirement at the end of next month.

Adding to the special feelings of today, it was noted by many of us that a very special "choir couple", John and Linda Rankin, are celebrating their anniversary! Happy Anniversary to John and Linda Rankin!

After so much preparation by Karlee Etter and Faith Formation teachers and team members to write and compile this service, it was great to have music which supported the mission and ministry of this memorable Sunday at NHCC.

### **Update from the Organist Search Mission Team**

The Organist Search Mission Team has begun its work by gathering thoughts and recommendations from Gary Snowbeck and from the Music Mission Team. The team has decided to engage substitute organist or an interim organist through Labor Day weekend. A job posting will go to the Yale Institute of Sacred Music and we will reach out to substitute organists in our area. The team will review the current job description for the Organist and identify any changes or revisions, with the goal of filling the position with a 'settled' organist in the fall. Members of the Search team include Martin Benassi, Barbara Massey, and Cathy Welch. Jeff Hutchins and Scott Morrow will assist the group.

### **Attention Graduates!!**

If you are graduating from vocational school, high school, or college, please let the church office know! We'd like to share your accomplishment with the church in the newsletter. Let us know about your graduation and your plans for this summer and the fall.

**Starting a New Job, New School, New Adventure??** If you are starting a new job, heading off to college, beginning your military service, or any other new adventure this summer or fall, let us know. We'd like to let the church know about it in the newsletter. Call and give us the information and we'll put it in for you. Be sure to let us know how we can keep in touch!

### **Safe Conduct Policy Reminder**

It was a joy to celebrate our Church School and thank the teachers in our Youth Sunday worship on May 15.

The Faith Formation Mission Team reminds the congregation that the Safe Conduct Policy of our Church seeks to have two adults, or one adult and one teen, present in Church School classrooms. The Faith Formation Mission Team plans to meet this guideline in recruiting teachers and assistants for Church School in the fall.

### **The On-Line Fundraising Auction is Happening!**

Thanks to a dozen or so church families responding to the request for donated items, we will be able to hold our 3rd annual On-Line Fundraising Auction. The items need to be brought to church on Sunday June 5, after worship, to the double classroom on the lower level. In the following days, the items will be photographed and catalogued by our Auction Manager. The auction will go live around June 13 and close around June 20. Winning bidders will pick up their items on Saturday June 25. Thank you very much to all those who have donated. If you have any unique or interesting items that would do well in an on-line auction, items of sterling silver, tools, power tools, Beatles albums, turntable, gold jewelry, the more unique the better, contact a member of the B Team: Patience Benassi, Martin Benassi, Priscilla Bradford, Martha Butterworth.

**We need VOLUNTEERS** to help with In-Person Worship. It is a joy to have more people joining the In-Person Worship service on Sunday! We want to offer a warm welcome and hospitality to all who come for the worship service. This means we need volunteers to serve as Deacons, Greeters and Scripture Readers on Sunday mornings.

We have a particular need for Coffee Hour Hosts in order to enjoy the fellowship of gathering after worship. Please consider serving in one of these ways – sign up on the Church website or call the Church Office. Thank you!

### **Assistance for Guilford Hostage**

In April a woman was held hostage in her home by a family member who suffered a psychotic break. This incident ended with the woman rescued safely, and the death by suicide of the relative who took her hostage. This family is had a close relationship with both UCC churches in Guilford. In the aftermath of this situation, there is a need for trauma counseling, medical bills, aftermath cleaning and decontamination of the the home, as well as repair and replacement of furniture and household items damaged or destroyed. These costs go beyond what insurance will cover. The Southern New England Conference and the New Haven East Consociation have made emergency grants to this individual. We are appealing to church members to consider making a donation to these recovery costs. If you would like to make a contribution, please make your donation to North Haven Congregational Church, and write "Guilford Emergency Fund" on the memo line. Your prayers and your contributions will be deeply appreciated.

**Help the Habitat ReStore!** The Habitat for Humanity ReStore in Wallingford sells home furnishings and fixtures and the proceeds support the construction of homes. The ReStore needs bubble-wrap and the inflated packing material that comes along with the online purchases that arrive at your home. They will use it to ship items to their online customers. **Bring your unneeded bubble-wrap and inflated packaging to the church and we'll pass it along to the ReStore!**

**Habitat for Humanity Dedicates Two New Homes** Habitat for Humanity of Greater New Haven dedicated two newly constructed homes at 603 and 611 Middletown Avenue, New Haven, on May 7<sup>th</sup>. Alvan and Latonya Bailey and their two children moved in to 603 Middletown Ave. Raissa and Moustapha Bayor-Loue moved in at 611 Middletown Ave. with their two children and 8-month old baby! Both families moved from small apartments in New Haven. The dedication ceremony was a wonderful celebration which finished just before the rain started. Priscilla Bradford, Sue Compton, Pete Struk and Pastor Scott worked on these homes last spring.

## Women's Fellowship

---

Summer is here! Graduation time, summer vacations on the horizon, warm weather, flowers in bloom, picnics, parties, and hopefully a relaxing time for all.

Women's Fellowship will be holding "Girl's Night Out" at Gouveia Winery in Wallingford on Tuesday, June 14th, starting at 5:30 pm. Please bring a snack to share. Please let Cheryl Bogert (ca.bogert48@gmail.com or 203-208-4732) know if you are planning to attend!

Women's Fellowship is in need of a new leader! As you know, I am stepping down at the end of June. Women's Fellowship has been responsible for many church activities through the years and, of course, we all would like to see these continue.

Being President or leader does not mean you are doing all the work! It has been a group effort with enthusiastic ladies willing to pitch in and help. It just needs a leader to organize the activities. The Executive Board helps bring it all together.

We had a 2-year break due to Covid and we did miss many fun activities. Wouldn't it be nice to get back to having activities again? Please think about it, pray on it, and ask yourself, "Is God calling me?" Please let Nancy Mahoney, Carol Mitchell, Kathy Harple, or Cheryl Bogert know if you are interested. I will also be happy to answer any questions.

Have a wonderful summer! Stay healthy and safe!

Dot Pierce  
President

## Men's Fellowship

---

The Men's Fellowship group met on their accustomed first and third Saturday morning schedule. John Tibor is back at the grill! We shared gratitude for the Pancake Breakfast hosted together with the Women's Fellowship.

We will gather in June on the 4th and the 18th. Normally we would take a break until September. However, the Men's Fellowship will meet in July and August this summer! We've only just gathered to

meet again after a long pandemic separation – we want to enjoy this cherished fellowship! Come to breakfast in June and learn the details.

The Men's Fellowship will sponsor a Comedy Night on Saturday, Sept. 24. Doors will open at 6pm with pizza and snacks available, and the show will begin at 7:30. Save the date!

## PRAYER REQUESTS

---

In this month's *Window* we continue to list the names of persons for whom we pray in our worship each Sunday. Please add these special people to your prayers at home. Watch the *Window* each month for changes in this list.

**In Our Prayers This Week are:** Linda Shannon, Marcia Foulds, Marlene Bellonio, Lorraine Burdge, Shirley Ryan, Joyce Bellonio, Ellen Robert and Treffle Robert.

## PASTORAL VISITS

---

It is easier to visit with church members in hospitals, at nursing and rehab centers, and at assisted living communities now, with fewer restrictions due to COVID19 precautions. Please call the church office and let us know of your hospitalization, or to request a visit. Privacy guidelines now make it difficult for the pastor and other non-family members to confirm your presence in the hospital.

---

## HOMEBOUNDED MEMBERS

---

We are livestreaming our worship services on Sunday mornings. We continue to celebrate Communion on the first Sunday of the month, encouraging those at home to participate with their own bread and juice.

If you are unable watch the Church service online, we will be happy to celebrate this Sacrament with you either in person or over the telephone. Please call the church office at 203-239-5691 to make an appointment that would be convenient for you.
